Duty of Care

Tenants agree to be considerate (to neighbours) and to take good care of "The Villa" and to leave it in the same state as they found it on their arrival. Although a final clean is included in the price, "The Owners" reserve the right to charge for additional cleaning if you left it in an unreasonable state.

Defects

You must report to the owners management company in Lanzarote (contact details will be provided on arrival at the villa), any defects in "The Villa" or breakdown of any appliances, machinery etc, without delay in order that repairs or replacement can be made immediately.

What can you expect on arrival?

Terry Dickinson ("Management Company") will ensure that "The Villa" is perfectly clean and ready for your arrival. A welcome pack can be provided, the extra cost is payable by the Guest.

Before your departure we will send you directions to "The Villa" and we will advise you of the location and code for the key safe, to gain admittance to "the villa".

"The villa" can accommodate **six** persons in one double and one twin bedded room. We do not exclude children of any age staying at our villa, but we do like to advise parents that the area outside does not have any barriers to keep children away from the pool, which is approximately 5 foot deep uniformly.

What are the House Rules?

The use of "The Villa" is entirely at your own risk and we do not accept any liability for theft or damage to your personal possessions, or injury arising from the use of the equipment or facilities provided.

Children are to be supervised when using the swimming pool. No jumping or diving into the pool is permitted. We advise guests not to run on the patio, around the pool or throughout "the villa", as tiles can be slippery when wet.

Use only the plastic tumblers provided around the pool and hot tub. Any broken glass will require the pool to be drained, cleaned, and refilled at your own expense!

We provide two bath towels and two hand towels, per person per week. For guests on a two week holiday your bed linen and towels will be changed after the seven days. We provide a large selection of pool/beach towels for your use while you are on holiday. Rather than having to launder these between guest changeover we would be most grateful if you could put these through on an economy wash towards the end of your stay and hang them out to dry on the retractable washing lines on the patio on the evening before or day of your departure. Condensation gathers on cold drinks. Please use coasters provided to protect furniture, inside and outside of "the villa".

Arrival day

If you have any complaints or if you notice that anything is not as it should be on your arrival, please contact "Management" at the earliest opportunity. They will endeavour to put matters right for you immediately. You will have a visit from "Management" on the day after you arrive around 9:30am to ensure that everything is satisfactory.

An emergency out of hours number will be provided for "management". We ask you to report any problems to them during the hours of 9am to 6pm Monday to Saturday, and outside of these hours to only contact them in the case of genuinely urgent problems. In the event of an out of hours call, there is a fee payable. If this is because of villa owners' liability, we will be responsible for the fee. However, if it is the fault of the guests, then the charge will be passed on to the guests.

Departure day

On departure please remember to leave the house keys and the alarm fob on the dining room table. Also please ensure that when you empty the safe on the last day to leave it open with the key in the lock for the next guests. If you break anything at "the villa" during your stay we would be grateful if you could arrange to replace this if possible or notify our villa managers.

The "Owners" Liability

The owner shall not be liable to the tenants:

- For any temporary defects or stoppage in the supply of public services to "The Villa", nor in respect of any temporary loss of appliances, equipment, swimming pool etc For any loss, damage or injury which is the result of adverse weather conditions, riot, war, strikes or other matters beyond the "Owners" control ; or
